PH.D. DISSERTATION DEFENSE ABSTRACT

This form must be submitted to the Division Office, Room L-315, School of Medicine, with one copy of the dissertation abstract (maximum of 350 words) at least three weeks in advance of the defense of the dissertation. Prior to submission, the abstract must have been read and approved by your Major Professor, the Director of Graduate Studies, and the Department Chairman. The student will be notified of the approval of the abstract or if revisions are required. Upon final approval by the Division Office, the Schedule of Final Oral Examination (dissertation defense) and fourteen copies of the approved abstract must be submitted to the Division Office. These must be received at least two weeks in advance of the defense date. Please type or print clearly.
